Notes From Kamehameha Schools

The Kamehameha Manual School opened on Monday with an enrollment of 165 boys, most of whom are from the other islands. The school is in a pretty bad condition for its military drill just now on account of the absence of the three company captains and four of the musicians, leaving only one bugler to do the work at present.

There have been many changes made in the battalion officers.

The school will not have such a strong athletic team out this year; many of the best men will not return. Allen Robinson, who was captain as this year's track captain of the soccer team, is not expected. Juan Minkas, the only pitcher the school has at present, has not returned yet. With these important athletes out, the boys who are at school will have to try their best to make a good showing.

Three new teachers have been added to the faculty this year. Miss Bradley, who hails from Chicago, taking position as nurse; Mr. J. Hoffendorf is the new printing teacher, and G. Paty is the new carpenter teacher.

Both the shop teachers have been engaged in business in town.

Captain Winters arrived back to the school Tuesday afternoon from a two months' trip to the states.

Miss M. H. Armstrong, the English teacher, and Mrs. A. M. Bradstreet, the school matron, also came back from the coast.

The boys will not start in drilling for about a week yet. They will wear caps this year both in the parades and at school. The boys expect to put up a football team this year.

There are a few good players who have just come from the Hilo Boarding School. The boys were sorry to find the campus in a very dry condition when they came back to the school, showing great neglect.

There are two new cottages being built for the two married teachers at the school.

Allen McGowan, the new Major this year, is to be the captain of the school football team.

Joe Kauli, a star baseball player, has arrived at the school and will strengthen the team this coming season.

It is expected that Major Dick Oliver will coach the Kam football team this year. The usual school coach has given up taking interest in the boys, so "Dick" will be asked to train and coach instead.

SHORT SPORTS.

The one-mile skating race at the Princess rink tomorrow night is attracting a lot of attention. Thirteen laps to the mile will have to be covered, and it is expected that good time will be put up. Heller, who will represent the fleet, is a fast man, and Garnett of the Marines will have to get up a tremendous pace to beat him.

The West Virginia and Washington nines will play a ball game at 10 o'clock on Sunday morning at the Athletic Park. If the W. V. nine win out they will be champions of the Fleet.

The second series of the Riverside League will start up next Sunday when the Palamas will play the Kealos and the Aalas will have a go at the Fort Shalters.

The usual course of lynch law would have been reversed in Weston, Mo., had not the authorities fought hard to rescue Florian Volk, a white contractor, from 300 negroes who sought to hang him in revenge for the murder of John Price, a negro.

Secretary Dickinson of Nashville, Tenn., intimated that investigation of the case of J. H. Baker, charged with hazing at West Point, will be reopened.

First Round Of Hongkong Cup

There was a big crowd of fans at the Athletic Park yesterday to see the Pennsylvania nine play the West Virginia for the preliminary round of the Hongkong cup.

The Pens won out by a score of 2 to 1, after a snappy game that kept the fans going all the time. The Virginia bunch seem to be playing a lot off their proper form, and if all accounts of their former prowess are correct, there is something radically wrong with the team.

In the fifth inning English, the W. V. pitcher, injured his hand and had to pull out of the game. Schaeffer was taken off first and did the twirling for the rest of the game.

The Pens made one in their second and again one in the fourth, and after that could not get a man home. The W. V. nine in the meantime scored one in the sixth, but could not add to their total, and the game ended 2 to 1.

LANGFORD-KETCHELL FIGHT ABANDONED.

Probably it is just as well for Stanley Ketchell that Governor Hughes put a stop to the fight game. Sam Langford was pretty sure to have licked Stanley and then where would Ketchell be, when as a defeated man, he stood up before Jack Johnson for the world's championship?

Jack Johnson should have no trouble with Ketchell when they do meet in a few weeks' time. It will be another case of a good big man up against a good little man, and in this particular instance the big man will win sure.

The stopping of prize fights in New York will be a check to both the pugilists and followers of the game. It will be a sad blow to the fight fans and it is to be hoped that the prohibition idea will not spread to the California Coast.

AUTO TRAGEDIES CAUSE WIFE TO SEEK DIVORCE.

Mrs. Grace E. Tyson of New York City and Riverside, Conn., has sued her wealthy husband, John H. Tyson, for divorce and alimony in the Connecticut courts. She is a daughter of the wealthy Dr. A. R. Starr of New York, and her marriage to Tyson, who is heir to millions, was a social event of importance a year ago. Tyson has been arrested many times for speeding automobiles, and is now under indictment for manslaughter following an automobile accident. He was also concerned in the automobile tragedy two years ago when Mr. and Mrs. Paul McCormac were killed. While Tyson and the McCormacs were racing the McCormac machine struck a tree, and husband and wife were thrown out.

Major Baseball At League Grounds

Tomorrow afternoon at the League grounds the much talked of baseball game between the Diamond Heads and the Saints will take place. Everyone who saw the two best baseball nines in Honolulu play their last match at the League grounds will surely be on hand to see the men at work.

The Saints and Jewels are the best representatives of the national game in these islands, and it is a treat to watch them at work. Some of the Juniors who have gone up from the lower ranks are catching on to the finer points of the game in good shape, and it is to be regretted that more of them are not allowed to go up.

The first game tomorrow is to be between the Kams and a team from the California. This should be a great go, for the sailors are good players and the Kams are in excellent form for mat present.

The idea of having a series of three games between the Saints and Diamond Heads is an excellent one, and there is no doubt that the grand stand will be crowded tomorrow afternoon with fans and people who have taken in the regatta.

John Williams, who pitched such a great game for the Saints in the last game, will again do the twirling for that team, and Louis Soames, than whom there is not a better catcher in Honolulu, will be at the receiving end.

Leslie and Winne will form the Diamond Head battery, and they, too, will put up a fine class of ball. Should Leslie's eye be in, some fine hitting will be seen when he goes up to bat. The genial Bob popped a couple over the fence a week or so ago that surprised everybody.

Then Bill Hampton is always to be relied upon to do something good, and if he is in the game tomorrow there will be joy all around. The second game tomorrow will start at 3:30, and by that time the big Regatta crowd will no doubt be on hand at the league grounds.

GOLF AT COUNTRY CLUB TOMORROW.

Country Club members will crowd out to the links tomorrow as it will be a holiday, and the weather promises to be good. An automobile will meet the electric cars between the hours of 9:30 and 11:30 in the morning, and it will also be there from 3:30 to dark.

A special lunch has been arranged for, and hungry golfers can have a good time at midday and then continue their rounds. The semi-finals of the McInerney cup will be played off between Giffard and Campbell, and Munroe and Gill.

The Country Club has been visited a lot by the strangers in town, and all unite in saying that the site is an ideal one and that the links are as fine as ever they have seen.

On October 3 play for the Manoa cup will start and a big entry list is expected for it.

POLICE COURT JOTTINGS.

Fourteen Chinese gamblers were up before Judge Andrade this morning and were each fined \$5 and costs.

Jack, a Filipino, was fined \$13 for being drunk and allowing a policeman to see that he was. Jack has been in these islands for some years and pays his respect to Judge Andrade every now and again.

Lee Kong Wai, who is charged with assault and battery, had his case sent over to September 22. Wong Pung Hee, who was also mixed up in an affray, had his case continued till September 20.

James Bryce, British ambassador, had a conference with Premier Laurier of Canada at Ottawa on the Payne tariff bill and its effects on Canadian trade.

Fine Races For Regatta Day

(Continued from Page 1)
very confident that they can account for the Heanals, there is quite enough doubt about the matter to make the race a very open one.

When the Senior pair-oar crews get into their boats all will be excitement for a while. Padekin and Lyle will go up against Carl Oss and Dick Sullivan, and a very pretty race should ensue.

The Junior pair-oar event should be a very close one, too; both crews are in the best of condition and have trained faithfully for the race.

The canoe events should be most interesting, and a large number of entries have been received for the old-style and modern canoe races. The sailing races for canoes will lend an interesting look to the program and will convince visitors that they are really in a semi-tropical country.

The following entries have been put in:

Senior six-oar—Myrtle Boat Club—H. Williams, bow; P. Smith, No. 2; Bob Chillingworth, No. 3; C. Padekin, No. 4; Jack O'Brien, No. 5; Bill Lyle, stroke; L. Hough, cox.

Junior Pair-oar, Heanals—McCandless and Lota, Myrtle—J. O'Brien and M. Center.

All the ships of the Fleet will start crews in the Service cutter race, but in the Racing Cutter event the Maryland will not be represented as their new oars have not arrived.

The first Naval race will start at 2 o'clock and will be from the bell buoy to the finishing line at the foot of Fort Street. It will be a twelve-oared Racing Cutter event. The race for Service Cutters will start about an hour afterwards and will be over the same course.

JUNIORS TO PLAY ALL-FLEET TEAM.

On Sunday at the Athletic Park a picked team of Juniors will play a picked nine from all the fleet. It should be possible, after Sunday's game, to arrive at a proper estimate of the real strength of the Juniors, who every Sunday put up such exciting games at the park.

People who go to the Park every Sunday are apt to imagine that the Juniors are much better than they really are. The teams have played so often against one another that they know each individual player's style like one boxer does another's after meeting the same man several times.

The consequence is that the Juniors seemingly put up a much better brand of ball than they really do. Still, they will make the fleet nine play up to their best form to win, and the struggle will be a very interesting one. The only thing which is doubtful is that the men will not have much chance of practicing together, and that will make a lot of difference in their play. However, it will be the same for the other bunch, as they will also be picked from the different ships and will not have played together before.

The first game on Sunday will be between the Kallhis and the Marines, and it should be a very exciting one. The team played a drawn some weeks ago, and the tie has to be settled on Sunday.
